- Students can request roommates and are guaranteed their request if both roommates request each other.

- Assignments are sent early in June to all new students through email.
- Changes can be made by emailing residencelife@westliberty.edu or call (304)336-8345.
- Students who are unable to get a private room will be placed on a waiting list should additional spaces become available.

Room Changes and Consolidation

- Room changes can be made by contacting the Office of Housing & Residence Life at any time from the date of application through the final move out. Students are encouraged to seek assistance if they are dissatisfied with room options or roommates.
- Students who are left without a roommate for any reason, and who are not interested in paying the additional cost for a private room, will be placed in the Housing Consolidation Process. This process continues throughout each semester and assists the student in finding a roommate that they feel is compatible.
