- resource information on health related subjects
- TB Testing (\$10.00)
- Meningitis vaccine (\$160.00)
- Flu Shot (\$20)

Student Health Portal westliberty.studentthehealthportal.com

The required health documents must be completed on the Student Health Portal. To sign in to the portal you will need to have activated your WLU Single Sign-On credentials. When you use the portal you are accessing your own health information, do not share your log in credentials. After logging in, please complete all pending forms. Failure to complete these forms can result in being denied treatment at Student Health Services.

Closed on holidays

Referrals: The medical staff makes referrals to other agencies for health care not provided at Student Health Services or Doctors Urgent Care of Wheeling. Students are strongly urged to carry health insurance to cover any cost of such referrals.

Absences due to Illness: Students are encouraged to communicate with their professor if they do not feel well enough to attend class. Verification of illness will only be given in limited circumstances .

Doctors Urgent Care: A student unable to see the physician on campus may go to Doctors Urgent Care (hours listed at left). Students should take their student ID and insurance card. Doctors Urgent Care will bill your insurance for X-Rays, labs, and special procedures. All in-office charges not covered by insurance will be written off. If you do not have insurance, all in-office charges will be written off. Certain labs or X-rays sent to an outside facility cannot be written off by Doctors Urgent Care. You and/or your insurance will be billed for services outside of Doctors Urgent Care.

*Billing policy is subject to change

In Case of Emergency: CALL 911
