**"Women's Aging Complexities:
The 2011 Oral Health Connection"
by Ms. Pam Hughes, RDH, BS, MS**

Recognizing that gender specific health concerns impact the overall well-being of patients has become increasingly important as a number of health conditions are more prevalent. These conditions may cause a variety of symptoms and affect women differently than men. Women's medical concerns such as cardiovascular disease, diabetes, and osteoporosis will be addressed as well as their surprisingly strong influence on the oral cavity.

**DENTAL HYGIENE CLASS OF 1961
50TH ANNIVERSARY
SEPTEMBER 23-25, 2011**

Join fellow classmates for an unforgettable weekend as we celebrate the 50th Anniversary of the 1961 Dental Hygiene Class. It is going to be a wonderful opportunity to reminisce and rekindle old friendships.

Beautiful accommodations and fine dining awaits you at Oglebay Resort & Conference Center. Oglebay offers 1,700 picturesque acres of recreational opportunities and natural beauty. More information is available on the Oglebay website: www.oglebay-resort.com

Your alma mater has experienced transition and growth since your days on the hilltop; all the while, maintaining the intimacy of small classes, individualized attention, outstanding programs, dedicated faculty and staff, and a beautiful campus setting.

We welcome you back to the place where it all began more than 50 years ago. A place where friendships were forged, education learned, and memories created to last a lifetime.
