All courses require a C or better.

Revised 4/2014, effective Fall 2014. Spring (S) and Fall (F) designations are approximate, schedule may change as demand necessitates.

The General Science Education 5-adult curriculum must be monitored by both a Science faculty member and an Education faculty member.

Each will advise the student regarding classes in their own specialization. The student is responsible for registering for the West Liberty Education list serv. This service provides timely announcements of pertinent information like scheduling of portfolio interviews and PRAXIS exam schedules. You are responsible for your curriculum and meeting all requirements for graduation as described in the College Bulletin.

This worksheet is intended only as a guide. Additional electives may be needed to reach the 128 credit hours required for graduation. 40 of these hours must be 300 or 400 level courses.
