The Biology Education 9-adult curriculum must be monitored by both a Biology faculty member and an Education faculty member. Each will advise the student regarding classes in their own specialization. The student is responsible for registering for the West Liberty Education listsery. This service provides timely announcements of pertinent information like scheduling of portfolio interviews and PRAXIS exam schedules. You are responsible for your curriculum and meeting all requirements for graduation as described in the College Bulletin. This worksheet is intended only as a guide.

Students are required to maintain a gpa of 3.0 with at least a grade of "C" in each course within the BIO Ed 9-Adult curriculum to graduate.
