

**WEST LIBERTY UNIVERSITY BOARD OF GOVERNORS
POLICY 35: NATIONAL, STATE, AND LOCAL ELECTIONS**

STATEMENT:

All employees of the University are encouraged to exercise their voting privileges at all national, state, and local elections.

PROVISION:

I. Except as noted elsewhere in state policy or where restricted by official proclamation, any Election Day (Primary or General) held throughout the state is treated as a holiday for those employees eligible for such holiday leave.

II. Employees are encouraged to vote either before working hours or after working hours consistent with the operating hours of the polling places. In certain cases where the designated holiday is not observed by the University on the actual election day, an employee may request to take accrued annual leave to exercise their vote on the actual election day.

Approved by the WLSC Board of Governors on 11/1/06.
