

WEST LIBERTY UNIVERSITY ATHLETIC TRAINING PROGRAM

The following items are a list of expenses that could be incurred as an AT Student once you are officially accepted into the major.

**Estimated cost is a general idea for students to prepare. Costs are not standardized and may be subject to change.

Fee Description	Estimated Cost**	Additional Information
Textbooks (dependent on class and semester)	\$200-300/semester	
Apparel (at least one polo per year)	\$30-50/year	More apparel can be purchased through the AT club as fundraisers.
NATA Dues	Up to \$78.00/annual fee	\$78 1/1-6/30, \$58 7/1-12/31
ATrack	\$90.00/lifetime subscription or \$45/year	Separate subscription fee to track clinical hours; recommend \$90 for new students
Cadaver Lab Fee (AT 340, 345)	\$100	(\$50/semester junior year)
Criminal Background Check	\$45	Castle Branch
Drug Test	\$40	Castle Branch
TB (Tuberculosis Testing)- <i>Required</i>	\$5-\$30	Available at Student Health Services (Mon and Tues) Cost-\$5. Otherwise student is advised to go to Primary Care physician or Urgent Care facility
Hepatitis B (3 part series) with titer- <i>Required</i>	Cost dependent on individual health care coverage	See Primary Care physician or Urgent Care facility
Varicella (proof of disease or vaccination) with titer - <i>Required</i>	Cost dependent on individual health care coverage	See Primary Care physician or Urgent Care facility
Other immunizations - <i>Highly Recommended</i> Refer to Student Health Services	Cost dependent on individual health care coverage	See Primary Care physician or Urgent Care facility
Transportation (to clinical sites)	Students are required to have transportation to clinical sites. Sites vary depending on location. Carpooling is encouraged.	Lack of transportation is not an excuse to miss clinical site rotations. You are expected to have transportation.
First-Aid/CPR Card	Initial one free from a required class	Subsequent updates are student responsibility ~\$25-30.
