

WEST LIBERTY UNIVERSITY

Staff Advisory Council FUNDRAISER

All fundraising campaigns will work to support the Staff Advisory Council Scholarship fund and other Staff Council programs.

The Staff Scholarship Fund awards a staff member or their dependent (son or daughter, either natural or adopted; stepson or stepdaughter), a monetary grant to be used exclusively by that individual for college expenses as they pursue an undergraduate and/or graduate degree at West Liberty University.

We are proud to report that in previous years, West Liberty University Staff Advisory Council has awarded 17 scholarships in the amount of \$4115.00, an outstanding testament to our ability to impact the lives of real people right in our own WLU family:

2019-2020 – benefitted 2 employees and dependents at \$600 for the year.

2018-2019 – benefitted 6 employees and dependents at \$1265 for the year.

2017-2018 – benefitted 5 employees and dependents at \$1250 for the year.

2016-2017 – benefitted 4 employees and dependents at \$1000 for the year.

We celebrate what we have achieved together in this spirit of giving and thank you all for your support. Together, we have an opportunity to continue in this spirit of giving and work towards a common goal of continuing to help our WLU families.

We are asking that every staff member consider giving \$1.00 per pay to help raise the necessary funds to continue this tradition of giving back to our staff. If every staff member committed to this small donation, **TOGETHER**, we could have a large impact on our mission to meet and exceed our goals. The following chart will show just how big of an impact your small donation can make if we all work together!
