2022-2023 Verification Worksheet Independent Student

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected by the Federal Government for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at West Liberty University will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to West Liberty University Financial Aid Office. If you have questions about verification, contact our office as soon as possible so that your financial aid will not be delayed.
