WLU COVID-19 Updates

West Liberty University continues to monitor the COVID-19 situation carefully and is continues to take actions to help ensure the health and safety of the WLU community. The University provides updates through a centralized link: <https://westliberty.edu/health-services/coronavirus-covid-19-resources/> and email for your questions: covid19@westliberty.edu. Many offices on campus are meeting with student by appointment only, so make sure you connect with the appropriate office before heading over to meet with someone. Please remember that wearing a mask is required in any building on campus and also outside when social distancing can not be maintained. Students can also use their toppler card at several of the safety vending machines throughout campus.

Stay Safe Hilltoppers!

24 Hour Access Study Space

The Office of Graduate Studies is proud to continue to offer our 24 hour student lounge space just for graduate students. There are 2 lounge rooms and a conference room located in the second floor of Shotwell Hall. After normal business hours you will need your WLU Topper ID card to access the building. Reserve the study space through your Gmail account using Google Calendar. Wipes and hand sanitizer are located in each room.

Virtual Services for Students

Robinson Writing Center Online writing consultations. <https://westliberty.edu/writing-center/> Please email Dr. Amanda Tennant with any questions at amanda.tennant@westliberty.edu.

Counseling Counseling, supportive counseling and check-ins will be through tele-counseling via secured Webex or Zoom meetings. Contact the counselor via email Lwitzberger@westliberty.edu
