Dear New Student and Family,

Enclosed is information regarding the health documents that students must take to their health care provider and upload prior to arriving at West Liberty University. Everything should be submitted at least 4 weeks prior to the start of classes.

**Step 1:** What you will need from your Health Care Provider:

- **Physical Examination** completed on West Liberty University's [physical exam form](#) (included in this packet.) A completed physical signed by your health care provider is required of all new students (first year and transfers, and any graduate or part time student wishing to use Student Health Services.)

  The physical must be within the past 12 months for non-athletes and within the past 6 months for athletes.

- **Immunization Record** from your health care provider or high school. Students will need to show proof of Measles, Mumps, and Rubella (MMR) vaccination to the Admissions Office by uploading the record to your admissions portal or faxing to 304-336-8403. You will also need to refer to this Immunization Record to complete the Immunization Form on your Student Health Portal. It is always best to keep a copy of your Immunization Record.

  - If you have a valid reason to waive the immunization requirements, an [Immunization Waiver](#) must be completed by your health care provider. (located on the [www.westliberty.edu/health-services/ website](#).)

- **Student-Athletes:** There are additional forms for Athletics that may need completed by your health care provider. Contact Jerry Duncan, Head Athletic Trainer, at [jerry.duncan@westliberty.edu](mailto:jerry.duncan@westliberty.edu).

**Step II:** Registering for the WLU Student Health Portal ([westliberty.studenthealthportal.com](http://westliberty.studenthealthportal.com))

You must wait until Orientation or after you register for classes to register and log in to the Student Health Portal.

1. You will need your student ID and westliberty.edu email address to register for the health portal. You will receive your west liberty email address when you register for classes or at orientation.
2. Type in [westliberty.studenthealthportal.com](http://westliberty.studenthealthportal.com) to your browser and you will be directed to the health portal.
3. Once there, register for the health portal. Answer some security questions as a first time user. An email will be sent to your westliberty.edu email address to create a password.
4. Log back in to [westliberty.studenthealthportal.com](http://westliberty.studenthealthportal.com) to complete your forms and upload documents.

**Step III:** In the Student Health Portal ([westliberty.studenthealthportal.com](http://westliberty.studenthealthportal.com))

1. Complete the following forms available under “My Forms” at the top of the page:
   - Immunizations (you will need to enter dates. Refer to your Immunization Record)
   - Medical History
   - Privacy
   - Emergency Contact

Student-Athletes will have additional forms to complete-check your portal.

2. Scan or take a picture and upload the following. Look for the “Document Upload” tab.
   - WL physical exam form (outlined above)
   - [Minor Consent Form](#) (ONLY if student will be under 18)
   - [Immunization Waiver](#) (ONLY if valid reason to waive immunization requirements as outlined above.)

Questions? Do not hesitate to contact me. I look forward to meeting you.

Sincerely,
Christy Bennington RN BSN
Nurse Director
