HOUSING ACCOMMODATION REQUEST FORM

Dear Student:

In order to make specific housing accommodations, appropriate and complete documentation is mandatory. Please read the following information carefully before completing this form. Note that the second form is to be completed and signed by your treating physician/clinician.

Also, you must register with the Office of Accessibility Services at http://www.westliberty.edu/center-for-student-success/disability-services/. Simply scroll down the page to access our online registration form.

West Liberty University is committed to providing all registered students with access to all educational and student life settings. The Office of Accessibility Services works closely with the Housing and Student Life Office and the college’s Health Services Office in order to meet various needs of students. We will evaluate the documentation received in order to make appropriate recommendations for accommodations.

This completed form plus any additional pertinent documentation supplied by your treating clinician should reach the Office of Housing & Student Life as soon as possible to avoid delay. Should you not submit the documentation in a timely manner, delays may occur.

1. Once all documentation is received, we will determine the most appropriate housing for your needs. You will receive written notification of this decision.

2. The documentation requested will be used to:
   - verify the disability/medical condition
   - determine the severity and need
   - help determine other reasonable accommodations for living on campus if an apartment or private room is not available.

3. Should you be approved for an apartment or private room, you will be charged the appropriate fees for the apartment or single room rates with meal plan.

If you have questions or need additional information, please contact the Office of Housing & Student Life at (304)336-8345 or residencelife@westliberty.edu.

Thank you.
Please have your treating clinician/physician complete and sign this form. Please use additional paper if needed. This information will be kept confidential in the Office of Accessibility Services and Housing & Student Life.

1. Disability/Condition Diagnosis:

2. Current treatment, medications, devices or services that are prescribed or used to minimize the impact of the Disability/condition:

3. Symptoms/functional limitations that necessitate special housing accommodations:

4. Recommendations regarding accommodation needs (A/C, ground floor, etc.):

5. If the request for special housing were not met, what would be the impact of the student’s academic life?
